

Gek's Installation

Gek Chew was installed with much fanfare as the 42nd President of Inner Wheel Club of Singapore West on 1 July 2017 at the Tanglin Club.

Our charter members Rose Lien and Lily Chng, past and current Presidents of the IWC Singapore and IWC Singapore East and fellow members were present for this joyous occasion.

After the customary toasts, the candles were lit followed by the reciting of the friendship poem.

Deputy NR Nany then read out IIW President Dr Kapila's message. District Chairman Lucia Goh also spoke. She touched on the theme of the year and also appealed to all to support the coming AGM next year.

It was a day packed with fun, laughter and great fellowship. Most came with funny and colorful hats in line with the theme 'crazy hats'.

MC Dr Kim Ng, coupled with fellow members Joanna, Nany Gek, Lucy Bay, Claudia and Ping together they made fun things happened. There were much laughter and merrymaking during the hat-making competition and lotto games. Even our dance instructor Emi dropped in to brighten the entertainment by having us dance with her.
