

Inner Wheel Club of Singapore Social Outing

23rd May 2018. Members gathered at Singapore Botanic Garden on 23rd May at 8:30am. There were 13 members present at the gathering. After meeting, the walk started toward the Ginger Garden, with Sita Verma giving information about the different types of ginger. It was very informative and enjoyable for the members.

After the garden walk, the members went to the "Beyond Gingers" art exhibition. The art exhibition included paintings by our members, Sita Verma and Anju. The paintings were very beautiful and the members were all impressed.
