Meeting IW friends whenever possible during my travels is very common! But this time it was special as we were both looking forward to this meet for a long time. She thought I would be at Melbourne which I was not, though I knew for a long time about my Malaysia trip but was not sure whether I could make the island trip (Borneo part of Malaysia)! But it was right choice to make the trip, not only for the scenic beauty of Kota Kinabalu, Sabah but the warm welcome by my friends there, not only for me but my family

too! Thank you dear Rubi (I didn't know you are Datin!) and Cecilia, Gina, Rachel, for your hospitality, arranging our trip with Alicia, your gifts and mostly making time to be with me from your busy schedules! Love you my friends ❤️

Becoming good Friends via multi media without ever meeting face to face is unbelievable but not impossible. That's exactly what happened between me and Swati Banerjee, of IWC Bombay Kandivli, D304 India. Our first communication was via Email when we were both ISO in 2015/16. When our term ended, we continued to keep in-touch, hence establishing a close friendship IN & OUTside of IW.

An opportunity to meet came about when her husband was transferred to work in KL in early 2018 (she had to stay back in Bombay). Her plan was to visit him in KL then make a short trip to KK. However, this was only conveyed to me a few days before flying when the trip was aptly confirmed.

How exciting it was for both of us, thinking

'we are finally going to meet after almost 3years'. With only 2 full days in KK, 24-26 July 2018, we were able to have dinner on their 1st nite, together with her husband Sujou & son Sirsho and thankfully IPP Cecilia, VP Rachel & Sec Gina were able to be there too with my SOS call. Thank you beautiful ladies for your invaluable support. After dinner, we did a bannerette exchange. It was really an unforgettable experience meeting 'a never seen FRIEND' for the very 1st time.

As the ISO, it is really a great opportunity to make new Friends from other clubs/ countries. There are 3 other past ISOs I got to know and made friends with. Hope one day, we will be able to meet each other too. They are Meera Agarwal/IWC Green Greater Noida, D301 India; Tasneem Jiruwala/IWC Bangalore, D314 India and Kamala Shrestha/IWC Rajdhani, D380 Nepal.
