ISSUE 1# JULY 2023

KOPIVOSIAN

My dear Inner Wheel Friends,

I am humbled and honoured to be the Chairman of District 331. This is the District made up of clubs from all over Borneo – Sabah and Sarawak. This District is rich in diversity, culture, heritage and history. I am grateful to you for entrusting me to be at the helm of this vibrant District for term 2023 - 2024.

I would like to extend my warmest congratulations to the members who have graciously accepted the invitation to serve and continue to serve the District and the various clubs in the District. I am pleased to introduce the line-up of the District 331 Executive Committee (DEXCO) and District Committee – being the governing body of the District, as appended at Page 2 of this simple bulletin.

As you may have noticed, this bulletin is called "D331 Buzz". This bulletin shall serve as the platform for members to be updated on affairs of DEXCO and the District Committee. In future bulletins, I welcome contributions from all DEXCO and District Committee. This shall be coordinated by our lovely District Editor. The District Committee has agreed for the establishment of the Constitution Committee to review the existing District Constitution that governs the operations and conduct of the District. There might be other Sub-Committee to be set-up as part of the continuous progression of the Clubs and the District.

Cecilia Amid

DISTRICT 331 CHAIRMAN 2023 - 2024

I have also scheduled a survey to be conducted using the "Google Form" platform during the first week of August. I am hoping that all DEXCO members and District Committee members will be supportive of this and encourage members to take part in the survey. I anticipate receiving at least 103 responses by the third week of August, 2023. I am hopeful that this concerted and determined effort to collect responses and input will be successful. This may be of interest to DEXCO as well as to the District Committee in order to plan for the future of the Clubs and to contribute directly to the sustainability and vitality of the District.

I am thrilled to meet all of you in the coming months. May we all "Shine a Light" and together, let's be proud, grateful and have a strong sense of belonging. With your support, we shall keep the District Flag flying high!

*May we have an enjoyable, fulfilling and rewarding
"Shine a Light" through 2023 - 2024 ahead.*
