INNER WHEEL CLUB OF SINGAPORE

DAERAH INNER WHEEL 331

THEME 2012-13

"BE A FRIEND"

APRIL 2013

Dear Members,

District AGM at Kuala Lumpur was well attended by PIIWBD Shirin, President Smita Gadgil, PP Rajani, and Hon Treasurer and PE Preeti Bhatnagar. It was an opportunity to interact with the members of Dist 330 & 331 and to exchange flags with other Clubs. Dist AGM was well attended by members of Dist 330 & 331. It was very well organized by Dist 330 as they were the host organizers. The AGM was a review of the year and election of officers of both Districts. The joint District AGM was a grand success.

Moulin Rouge and Chic Parisian Nite was the theme of the evening. It was full of fun and frolic. Singapore Clubs entertained the gathering with a dance performance. PP Rajani put up a performance along with IWC of Singapore West which was well appreciated. All members enthusiastically participated in the dance moves against a backdrop of nostalgic music. Even our IIW President Carole could not resist, and she too participated actively.

The dinner of French Gastronomical delights, bewitched by the fantasy of dancers bedecked with fineries, feathers, rhinestones and glittering sequence was enjoyable. Most of the members were dressed in fine gowns for the fun and entertainment.

On Sunday 24th March there was a social project in keeping with IIW's theme of 'Giving Children a Better Future'. About 200 orphan children were given a morning of fun, games and entertainment followed by lunch. These children performed numbers and dance to entertain all members. It was a splendid and enjoyable event for them and all. It really touched our hearts. Even our club participated by sponsoring 10 children. It was a historic occasion as per Brenda Lim, as for the first time ever and AGM was held jointly by District 330 and District 331. Well done members of the organizing committee!
