

# INNER WHEEL CLUB OF MIRI

On 29<sup>th</sup> July 2017, Florence and Trinnah attended the District 331 Executive Meeting in Kota Kinabalu. The following morning we visited Helen Morgan with National Representative Rokiah Staun at the Jesselton Hospital.

On Wednesday 2<sup>nd</sup> August 2017 District Chairman, Lucia Goh and Past District Chairman Nany Gotze visited our club. Due to a change in their flights we had to switch things around. We had dinner at Seekers and afterwards we went to have a karaoke session at Stage Family Karaoke which was very entertaining.

The next morning we had breakfast at 58 Food stall near Florence Enau's house where Lucia and Nany spent the night. It pelted down rain while we were at breakfast. A lot of our members were able to come for breakfast.

At 10am we handed over our donation to Autism Miri (NASCOM) in Piasau Garden. We had agreed with the committee from the Autism centre to help pay their SESCO bill.

After the donation we went to the Miri Red Crescent Dialysis Centre for a short tour of the facility and saw how the Accuvein Vein Scanner that we had donated to the centre worked.

As we were leaving, it was suggested that we visit the Sunflower Centre (for mentality and physically challenged children). We had a tour of the classrooms and went to see the older children who were making necklaces and small animals with beads. We bought several necklaces and other items while there.

We then took Lucia and Nany for a quick Miri City Tour before our meeting, installation and high tea at Bharathi Anand's house. We had our meeting and DC Lucia talked about the upcoming AGM in Singapore in March 2018. Then Nany talked about the International Inner Wheel Convention in Melbourne in April 2018. Lucia then installed, our new officers who were present President Annie Tan and Treasurer Bharathi Anand.

Then she installed our two new members Amy Lagang and Parveen Kaur. Then we had an exchange of gifts. We had delicious food for our tea prepared by Bharathi and Parveen and dishes a few members brought. After that Amy and her two friends, Angelyn and Maria danced a traditional Kelabit dance. Then Bharathi, Parveen and Jappie (Parveen's daughter) and friend also did some Indian dances. We really had a good time.
