IWC Singapore's most notable fund raising contribution for HCA

The GOH presented a certificate and a gift to our Club for being the most notable fund raising contribution to HCA for the year 2016-2017 which was proudly received by PP Shahnaaz, VP Roshan Mistri, CC Meena Newaskar.

Sunshine Project

The Club had organised a Sunshine project on Saturday 9th Dec 2017 from 10.30 am to 12.30 pm at 2, Ang Mo Kio Drive, ITE.

This project was to bring joy to 40 children from low-income families. These children have been receiving tuition given by about 20 JC/Poly student volunteers under the supervision of the 'Administrator Volunteer' named Ms Irene Boey.

Gifts and Goodie bags were given to them on 9th December at the Appreciation Lunch whereby children, their parents, and volunteers were present.

Seeing their wish come true brought smile & sunshine on the faces of the children. President Rati, PP Wendy Louis, PP Shahnaz Hassanbhai, PP Preeti, PP Rekha Sharma & Anjali Chopra participated in the event. It was a very satisfying experience for the members of IWC Singapore.
