

## INNER WHEEL CLUB OF MIRI

Leave a lasting Legacy  
IIW Theme 2017-18

On 25<sup>th</sup> November, Inner Wheel had a stall at the Christmas Sale held at the Piasau Boat Club. We sold cakes, jam, bread, sweets, Christmas items and other donated items.

On 2<sup>nd</sup> December we organised a jamming session with eight bands at Famous Bistro from 5pm through 11pm. The proceeds from this and the Boat Club sale were for the Sarawak Children Cancer Society. The manager, Rosemary Tan was able to get four donations before the jamming and that night we took the donation box around to the customers to collect their donations. This was a very successful fund raising for our club.

On 11<sup>th</sup> December, the Inner Wheel Club had its AGM for 2018/2019, Christmas dinner (bring and eat) and their handover of a donation for the Sarawak Children's Cancer Society. We handed over a Brother printer, 3 reams of paper and 4 bottles of printer ink for the printer and RM4,704.85 cash and B\$221.00 to Jocelyn Hee, the Chairman of the Sarawak Children's Cancer Society.

After the donation we went to the Miri Red Crescent Dialysis Centre for a short tour of the facility and saw how the Accuvein Vein Scanner that we had donated to the centre worked.

As we were leaving, it was suggested that we visit the Sunflower Centre (for mentality and physically challenged children). We had a tour of the classrooms and went to see the older children who were making necklaces and small animals with beads. We bought several necklaces and other items while there.

We then took Lucia and Nany for a quick Miri City Tour before our meeting, installation and high tea at Bharathi Anand's house. We had our meeting and DC Lucia talked about the upcoming AGM in Singapore in March 2018. Then Nany talked about the International Inner Wheel Convention in Melbourne in April 2018. Lucia then installed, our new officers who were present President Annie Tan and Treasurer Bharathi Anand.

Then she installed our two new members Amy Lagang and Parveen Kaur. Then we had an exchange of gifts. We had delicious food for our tea prepared by Bharathi and Parveen and dishes a few members brought. After that Amy and her two friends, Angelyn and Maria danced a traditional Kelabit dance. Then Bharathi, Parveen and Japjie (Parveen's daughter) and friend also did some Indian dances. We really had a good time.
